- **WED-15 Repair Droid**
  Action: Spend 1 energy to discard 1 of your facedown Damage cards, or spend 3 energy to discard 1 of your faceup Damage cards.
- **Fleet Officer**
  Action: Choose up to 2 friendly ships at Range 1-2 and assign 1 focus token to each of those ships. Then receive 1 stress token.
- **Engineering Team**
  During the Activation Phase, when you reveal a maneuver, gain 1 additional energy during the "Gain Energy" step. Limited.
- **Sensor Team**
  When acquiring a target lock, you may lock onto an enemy ship at Range 1-5 (instead of Range 1-3).
- **Backup Shield Generator**
  At the end of each round, you may spend 1 energy to recover 1 shield (up to your shield value). Limited.
